

Exploring Collections

Exploring Collections

This is the Collections homepage, showing all the best Collections.

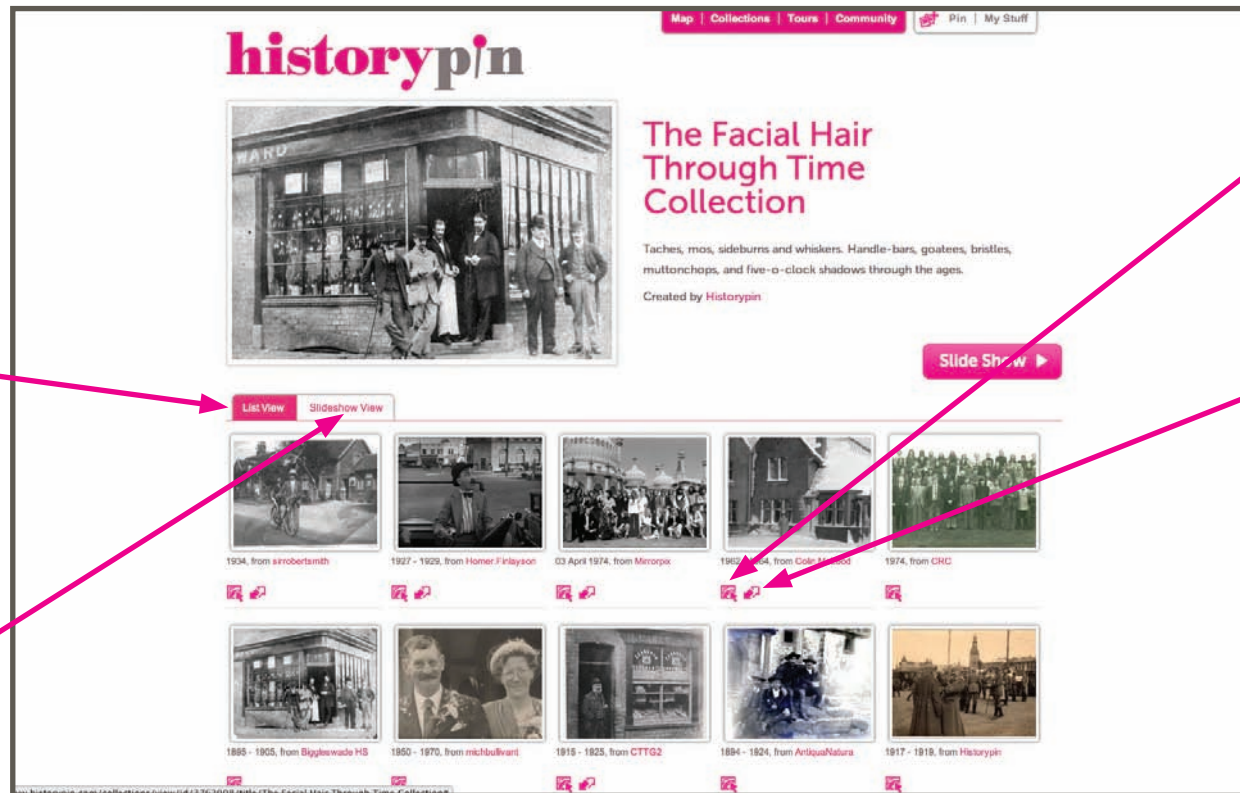

See more Collections than just the ones shown here.

NB You can only do this when you've logged in.

Click on a Collection you want to view.

Exploring a Collection

This is an example of a Collections page.

In List View you see small versions of all your photos.

In Slideshow View you see all your photos shown at full size in a sequence.

Click to zoom and get more info (or click on photo itself).

Click to see photo on Street View.

Collection Slide Show View

Click here to exit the Slideshow.

Pause, move forward or backwards between photos using these controls.
